About Us

Kerala Govt. Polytechnic College, Kozhikode, is one of the well reputed AICTE approved technical institution under Directorate of Technical Education, Kerala. The College offers 6 semester Diploma programmes in Chemical Engineering, Civil Engineering Computer Engineering. Electrical and Electronics Engineering Mechanical Engineering, Tool and Die Engineering, and a special Computer Engineering batch for Hearing Impaired students. The college is situated at West Hill, on the National Highway 66 in Kozhikode Municipal Corporation. The Institution now caters to more than 1000 regular batch students and around 200 evening batch students

Department of Computer Engineering is one of the prestigious program of Kerala Government Polytechnic College, Kozhikode, started in the year 1985. The Department plays a vital role in nurturing students with up-to-date knowledge in Computer Engineering. The department shows keen interest in offering technical workshops/seminars apart from the courses in the curriculum, for uplifting the students to meet the growing needs of industry.

DEPARTMENT OF COMPUTER ENGINEERING

VISION:

To get recognized as a Premier Centre of Computer Engineering, moulding professional skilled computer technicians with social commitment.

MISSION:

- To impart quality education and training to the students.
- To train the students professionally through industry interaction, and thereby to adapt them to face the challenges in the present day dynamic technical arena.
- To foster the students into socially committed technical professionals for the betterment of the society.

KGPC, Kozhikode

VISION:

To be the best technical hub in the country, creating technicians of national standards with excellent skill, knowledge and social commitment.

MISSION:

- To provide excellent foundation for acquiring technical knowledge by imparting quality education.
- To create congenial academic ambience that stimulate innovative thinking.
- To equip the students with employability skills.
- To develop integrity through conduct, character, discipline and high value-system to meet the needs of the industry and the society,
