KERALA GOVT POLYTECHNIC COLLEGE WEST HILL, KOZHIKODE

"Education is the most powerful
weapon which you can use to
change the world."

- Nelson Mandela

About The College...

The Kerala Govt Polytechnic College, Westhill was established in 1946 one of the oldest polytechnic colleges in Kerala. The college was inaugurated by the honourable Sri.VV Giri, BAR-AT-LAW, minister for industries and labour, Govt. of Madras on 23rd November 1946. Sri Sreenivas Rao was the first principal. Over the years the intake of students increased and as of now with diploma offering six full-fledged departments programmes such as Six engineering Engine Computer Enengineering, Chemical Engineering. Mechanical Engineering, Electrical & Electronics Engineering. Tool & Die Engineering under the Department of Technical Education, Kerala. The college was around 1200 students, 90 teaching staffs and 28 non teaching staffs. All the department of college are ade quately staffed and well equipped to meet the needs of latest technological trends and international standards

KERALA GOVT POLYTECHNIC COLLEGE WEST HILL, KOZHIKODE

The purpose of education is to make good human beings with skill and expertise... Enlightened human beings can be created by teachers.

-Abdul Kalam

Mission

- To provide Excellent Foundation for acquiring technical knowledge by imparting quality education.
- To create congenial academic ambiance that stimulate innovative thinking.
- To equip the students with employability skills.
- To develop integrity through conduct, character, discipline and high value system to meet the needs of industry and society

Vision

“ To be the best Technical hub in the country, creating technicians of national standards with excellent skills, knowledge and social commitment ”

Department Of

Mechanical Engineering

Mission

Impart both theory and practical in excellent manner

Promote innovative and eco-friendly ideas through project works and seminar presentation

Provide training and industry interaction for best placement and higher studies

Extent the acquired skills and knowledge for the development of country

Vision

“ To develop Department as a centre of excellence in Mechanical Engineering, by moulding talented, industry relevant and socially committed young technicians of national standards ”

Head Of The Department

Abdhul Salam P K
+91 94477 60973

Placement In Charge

Rajesh
Lr. in mechanical engineering
+91 82811 28386

Department Of

Electrical & Electronics Engineering

Mission

To acquire quality technical skills to enter the labor market with confidence

Transform knowledge to work for the socio-economic development

To meet challenges in the field of Electrical and Electronics

Engineering through innovations and entrepreneurial programs

Vision

" Be a center of excellence in Electrical & Electronics Engineering for the sustainable development of the society "

Head Of The Department (In charge)

Unnikrishnan P
+91 94467 80608

Placement In Charge

Ahammed sabith
Lr. in EEE
+91 94477 74596

Department Of

Chemical Engineering

Mission

Prepare the students to meet the challenges in the field of Chemical Engineering by imparting technical knowledge

Provide an academic ambiance for acquisition of entrepreneurial skills

Foster the students to meet the changing needs of industry

Empower the students with communication skills, leadership qualities and professional ethics

Vision

“ To be a centre of excellence in producing skilled technicians in the field of Chemical Engineering. ”

Head Of The Department (In charge)

JAYARANI M
+91 98461 29914

Placement In Charge

Prabhisha
Lr. in chemical engineering
+91 99402 91794

Department Of

Tool & Die Engineering

Mission

To impart quality education on modern manufacturing technologies

To create facilities for higher education, research and entrepreneurship.

To offer training to students in emerging technologies in the field of Tool & Die making

Vision

" To create highly competent Tool & Die technicians who can actively contribute to industry and society through team work, leadership and entrepreneurship. "

Head Of The Department (In charge)

Vijayanandan T
+91 95390 72559

Placement In Charge

Delneit
Lr. in tool and die
+91 9567890750

Department Of
Computer Engineering

Mission

To impart quality education and training to the students

To train the students professionally through industry interaction and thereby to adapt them to face the challenges in the present day dynamic technical arena

To foster the students into socially committed technical professionals for the betterment of the society

Vision

"To get recognized as a premier centre of Computer Engineering, moulding professional skilled computer technicians with social commitment"

Head Of The Department

Shihabudheen K M
+91 97461 43512

Placement In Charge

Rojana
Lr. in computer engineering
+91 90728 17712

Department Of

Civil Engineering

Mission

Prepare the students to meet the challenges in the field of Civil Engineering by imparting technical knowledge

Provide an academic ambience for acquisition of entrepreneurial skills

Foster the students to meet the changing needs of industry

Empower the students with communication skills, leadership qualities and professional ethics

Vision

“To be a centre of excellence in producing skilled technicians in the field of Civil Engineering ”

Head Of The Department

Suresh Babu N
+91 94951 01387

Placement In Charge

Kunjimoosa
Lr. in Civil engineering
+91 99463 33057

Our Units

Multiple units like NSS,NCC...etc are working under guidance of our special trained teachers with providing 100% leadership and skill development qualities

National Service Scheme unit 133 & 134

UNIT 133

Aneesh j
Asst.Prof. in physics
+91 89890 55038

Sandhya v
Lr.Computer Engineering
+91 94958 60112

UNIT 134

Ahammad Sabith PT
Lr.in Electrical & Electronics
+91 94477 74596

Shabeer K P
Workshop Instructor
+91 9986808668

National Cadet Corps

LT. Ashraf K
ANO NCC KGPTC
+91 94468 43649

Bhumithrasena

Deepak E
Tradesman in machinist
+91 99463 33057

Our Cell's

Multiple cell like asap , iedc ...etc are working under guidance of our special trained teachers with providing 100% leadership and skill development qualites

ASAP

Nodel Officer : Jaison Jhon
Lr. Mechanical
+91 89431 53653

Tie up with Rolling industries Kozhikode and Intellect industries Kozhikode for IOC projects

IEDC

Akhil Ahmed
Lr. Eectrical & Electronics
+91 86063 73596

IEDC conducts various training sessions on new trends in engineering field to all departments students.

CEC

Baburaj
Workshop superintendent
+91 94960 70773

Professional diploma in

- 1.fibre optics and Digital security system
- 2.Industrial instrumentation and Fire and safety
- 3.Industrial Electrical engineering
- 4.Shipping and logistics
- 5.mechanical and automobile engineering

Our Cell's

Multiple cell like asap , iedc ...etc are working under guidance of our special trained teachers with providing 100% leadership and skill development qualites

IIPC
Sunildas
Lr. civil
+91 94460 66242

IIPC offered different short term certification technical courses in association with outside agencies

CDTP
Baburaj
Workshop superintendent
+91 94960 70773

certification course in

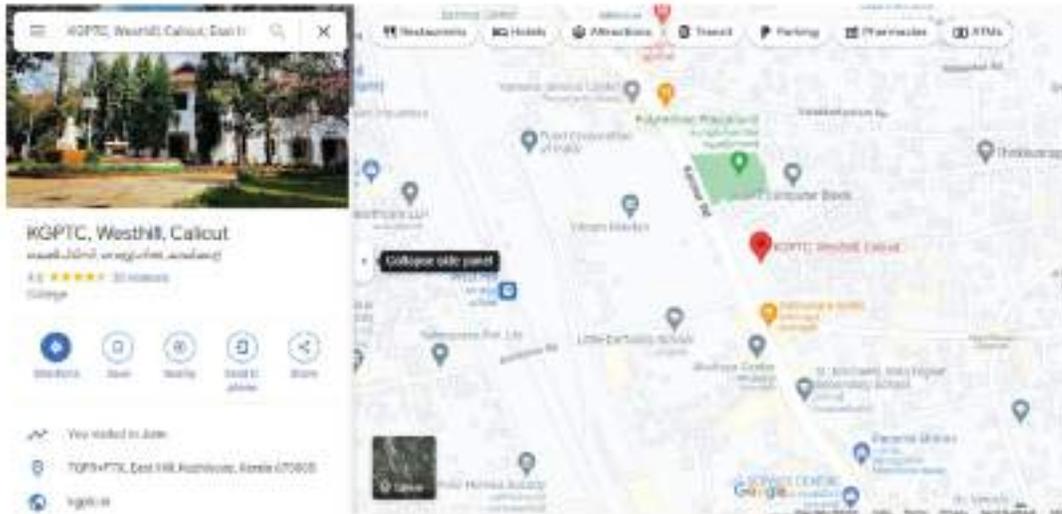

- 1.fashion design course - 8 centres
- 2.Beatition course - 2 centres
- 3.electrical wiring course -main centre
- 4.Bridal make up -2 centre
- 5Umberlla making
- 6.glass painting and Sari printing
